

# Booking conditions camping (GTC)

## 1. Conclusion of the rental contract

With the booking or the booking request, the guest bindingly gives the landlord the order to conclude the rental contract.

The rental contract becomes binding for both parties after the landlord has confirmed the booking with price, arrival and departure date to the guest in writing or by mail.

With the receipt of the booking confirmation the guest has to pay a deposit and a reservation fee (amount, payment term and account details - see booking confirmation).

Should this deposit not be received, the landlord reserves the right to cancel the booking.

If no deposit is requested in the booking confirmation, an e-mail receipt must be sent by the tenant.

If you find any discrepancies with your booking or your booking request, a new arrangement must be made immediately.

## 2. Payment

The total amount is paid by the guest at the latest on departure by the final invoice in cash, with EC card or credit card (Martercard, Visa).

## 3. Resignation

The guest can withdraw from the contract at any time before the start of the rental period by written declaration (also fax or e-mail).

The withdrawal becomes effective upon receipt of the declaration in our house.

The following cancellation fees apply:

- In case of cancellation up to 14 days before arrival, the deposit will be refunded minus the reservation fee.
- In case of cancellation 0 - 13 days before arrival, the deposit including the reservation fee will be retained.
- In the event of late arrival and / or early departure, the full agreed price of the stay must be paid.

The above fees are independent of a renting of the pitch in the vacant days on our part.

## Special regulations because of Corona:

Should it not be possible to stay overnight due to official regulations because of „Corona“, the landlord is obligated to cancel the stay on his part and to refund any deposits already made.

## 4. Travel cancellation insurance

We generally recommend travel cancellation insurance. Many credit cards include free travel cancellation insurance. Please inform yourself.

## 5. Special notes

The contractual performance of the landlord results from the information in brochures, our website and plan sketches. Minor deviations, also due to seasonal conditions, are possible.

The guest's contractual performance consists in the careful and considerate use of the facilities provided during the rental period and in the complete payment of the costs incurred.

The landlord can provide the guest with an appropriate replacement parking space.

The guest is liable for any damage caused during the rental period, including damage caused by third parties. Such damages are to be reported immediately to the landlord.

Bringing animals **is possible** after prior registration!
